9. JUMBO® 15mm FR Plasterboard
10. JUMBO® Tape

Note: 63/120 - No Insulation
63/120/S50 - With SoundTherm

Validity and Application of the Test Report

Fire rated systems need to be assembled strictly in accordance with the relevant test reports, and approved system details and specifications. If not, the fire resistance could be compromised and the test result cannot be applied.

The test can be applied to JUMBO® FireWALLS up to 4.2 metres in height.
